1. Apartment Overview

Apartment OG

Apartment OG is a traditional Japanese-style apartment located on a hill just a 2-minute walk from the school. We offer both one-bedroom and two-bedroom accommodations.
The apartment is located on the second floor.
In the two-bedroom units, the rooms are separated by fusuma (traditional Japanese sliding doors made of wood and paper) rather than solid walls. Because of this, sounds may travel between rooms, and complete privacy cannot be guaranteed.

Apartment NM

Apartment NM is located on a scenic hillside approximately a 7-8 minute walk from the school, offering beautiful panoramic views of Atami City and the ocean.
This traditional Japanese-style house is an excellent choice for friends, couples, or families traveling together. The house features three sleeping areas: Room A, Room B, and Room C.

[Rooms A & B]

Rooms A and B are adjoining bedrooms connected by an internal door. Each room has its own lockable entrance, making them ideal for friends or family members staying together. They are also suitable for a single guest who would like additional space by using both rooms.
Guests reserving this option will have exclusive use of both Room A and Room B.

[Room C]

Room C is a bright and spacious bedroom separated from the dining and kitchen area by curtains instead of solid walls. As a result, sounds from the shared living area may be heard, and complete privacy cannot be guaranteed.

[Entire House Rental]
The entire house can also be reserved for exclusive use, making it an ideal option for families or groups who would like complete access to the property.

2. Room Details

Rooms are either **Japanese-style (tatami mats with futons or beds)** or **Western-style (with beds)**.
Rooms are assigned on a first-come, first-served basis; you cannot choose your room based on preference.
The kitchen is a compact space equipped with basic tableware, cooking utensils, a refrigerator, and a microwave oven.
Smoking is prohibited throughout the entire building (including balconies, hallways, and outdoor areas). **Cleaning during your stay is the responsibility of each resident**.
For hygiene reasons, JCI Apartments **does not provide personal linens such as sheets (duvet covers and mattress covers), pillowcases, or towels**. Please bring your own, including spares for laundry.
We also offer linen rentals (sheets, towels, etc.) for those who wish to use them. Please note, however, that these are not new items but rather linens that have been washed regularly.
A washing machine is provided. Please wash the linens before returning them upon checkout.
